MISSIE PUTS AWAY THE TOYS TO PLAY WITH THE BOYS

I was sunning by the pool when the pool master and his assistant came by to clean the drains. I let them finish and then I invited them in for a quick drink. We got to liking each other and since I was their last call, I thought that a good three-way was appropriate. Don't you.

she did what?

To the Editors:

I can't believe I'm writing this letter! I never wanted to become involved with anyone at the office. There's way too much at stake. But one afternoon I was at the deli getting lunch to go and realized I had left my wallet back at my desk. I looked behind me hoping others didn't notice and that I was holding up the line. I noticed David back in the line and motioned him to come up. He did and I told what had just happened. He put in his order and told the clerk he was paying for both of us and he handed over his credit card. I thanked him.

We left together and talked on the way back to the office. He said he was wanting to talk to me, even ask me out, but he too did not want to take a 'dip into the office pool.' I told him that's what I thought, too. I wouldn't mind just seeing someone, but not to get involved. With that, he asked if I liked movies. It turned out that we liked a lot of the same movies and also some of the same music. Soon his jokes and his charming demeanor put me at ease. We went to the movies that weekend.

While the movie was playing I found myself glancing at him out of the corner of my eye. It was pretty apparent that I was digging him. I reached over for the popcorn bucket and to my surprise it seemed like he had a raging hard-on tenting up his jeans. I looked at him and he smiled meekly.

I don't know what came over me, but I started stroking him through his jeans. Growing even more bold I unbuttoned his jeans and unzipped his fly. His rock hard cock jumped out through the hole in his boxers. I wasted no time working my hand up and down his shaft and up over the tip. My god, this was hot!

The theater was mostly empty and those that were there seemed like they were into the movie. I bent down to take him into my mouth. My head bobbed up and down as I sucked his cock with intensity, running my tongue and lips over every inch of it. Then I sucked just the tip as I pumped his shaft with my hand. That did it for him and he let out a stifled moan, filling my mouth with his hot cum. Trying not to gag and alert people, I swallowed it all!

After the movie we went back to my place, said we would not say anything to anyone at the office, and fucked our brains out. So much for office policy.

Dear Editors:

One Tuesday night, my husband and I decided to finally go to the PTA meeting at our high local school. We had been putting it off, but thought better of it and so we went. There were over one hundred people there that night and right at 7 pm Michael, the current president, called the meeting to order. He went through typical business and we tried to maintain our interest in the proceedings.

Michael's probably in his late thirties and six foot tall with jet black hair. I had a couple questions for him but was a little embarrassed to bring it up at the meeting in front of all those people. We met him after all was done and I voiced my concerns to him about traffic flow around the school, and of course, the food quality at in the cafeteria. While he didn't say anything to solve the problems, I did find him pleasant and actually quite attractive. A month later we were at the next meeting. Afterwards, we saw Michael again and this time we just made some small talk. He mentioned that he was a widower but liked his involvement with the school. It seemed like Michael paid a little extra attention to me than my husband, telling me he was working on the food issue.

At work on Monday, I found myself fantasizing about Michael. I told my husband that we should invite him to dinner and find out more about the PTA. Next year's elections were coming up and I was getting into it – that I might even want to run for president. At the next meeting we invited him and he agreed. As we entered the restaurant, I whispered to my husband that I would like to fuck Michael. You see... we have a pretty open marriage. He's enjoyed watching me with other men in the past, though it's been a while. Many times my husband would watch and I put on a great show for him.

I felt quite sexy in my new dress while I was talking with Michael. As dinner progressed, the conversation got away from school and into each other. My husband conveniently excused himself so I could approach Michael with my proposal. I eased into it and then just came right out with it. "I want you to fuck me." I told him. Somehow he was not as surprised as I would have thought. But ever the gentleman, he politely accepted and we made plans for a Tuesday rendezvous after the PTA Meeting. We had decided that he would return to our house and enjoy each other there. He was comfortable with my husband watching, or joining us. We would let the evening just take it's course.

As Michael walked through the door that Tuesday night, I took him by the hand and sat him down in a big overstuffed chair. I wasted no time and slowly maneuvered myself into a position where I could grind my ass all over Michael's growing cock. I was definitely beginning to get very horny.

I bent over to unzip his pants and took them off. He did the same with his shirt. I pushed my tits together and grabbed and shoved his throbbing rod between them, fucking my big tits.

I wasted no time and slowly maneuvered myself into a position where I could grind my ass all over Michael's growing cock. I was definitely beginning to get very horny.

By now I was so horny, I bent my neck and kissed the head between my boobs leaving a beautiful lipstick print on it. His precum was flowing freely, oozing onto my lips giving them a glossy coat. Finally I gave in and pushing his cock firmly into my mouth. I noisily sucked and slurped it giving a good show to my husband as he watched.

I am an expert cock sucker so within a few minutes of attention to his cock, I could tell he was close to cumming so I released it from my mouth, holding it straight up, jerking it furiously, and started licking his balls. He erupted like a geyser, blasting my face and tits while he bucked throwing his head back in ecstasy. My husband gave us the thumbs up signal and stripped down to join us.

Editors:

I want to tell you about my new girlfriend and me. The old one was a bore, so I dumped her for a better model. Here's why! Okay so we're lying in bed one night and she's bobbing her head up and down on my cock when I tell her to move her butt so I can touch it. I slide two fingers into her pussy and rub my thumb over her clit. Then I put in another and another. I take out one finger and push it into her ass. It slides right in with no resistance. I keep jamming my fingers into her pussy and ass. I finger-fuck her, matching the rhythm of my fingers in her pussy with my finger in my ass.

I keep a finger in her ass to guide my cock into her. I slowly stick it into her ass which is now well lubricated with her pussy juices. She now is upright on her knees with my finger in her ass and her butt hole hovering over my cock. She eases down slowly, sliding my cock onto her ass steadily, until my cock passes her puckered rosebud and tunnels itself into her ass. I go slow since this is the first time we're doing it and I hear her little squeals and that's turning me on even more. I grab her ass cheeks and start to move her body down deeper onto my cock until it is all the way in. I linger there for a while as she gets use to it. By now she's loosened up around my cock and I begin to move it in and out, slowly at first then picking up the rhythm.

I increase the speed of my thrusts as she rides me like the buck that I am. I finger her pussy in the front and fuck her in the rear. Her ass is soft yet the entrance is firm around my shaft, more like her mouth. I feel her sphincter close tight around my cock on the upstroke and loosen on the down. This girl got it right the very first time!

Then she starts to talk dirty to me as she senses that I'm about to come. I bent her over and giving my cock a few swift pumps up and down, I shoot a huge load deep inside her warm anus. My willie goes limp and I feel my jizzy drip onto my pubes. This was way cool, and surprisingly, she liked it too.!

CHRISSY
a charming fuck doll

If my man has an itch, I can scratch it for him. If his cock is swollen and telling him it needs to be sucked, then I'm there to suck it for him. If it tells him it's got to go deep into my pussy, I'll open my pussy lips and guide it in. And then there's my ass, which is not open to everyone. But here today, I've opened the back door.

SUMMER'S HOT BUT KYLIE'S HOTTER

I'm headed north, just so I can go down south.

I'm driving north along Lake Shore Drive, headed to Evanston. Next to me in the car is my cell phone, some flowers and a couple bottles of fine wine. I smile at the thought of hearing Kylie's voice. I expect she will be fresh from the shower and ready for some loving. The traffic is light as I head towards her apartment. It is almost time to meet her for the first time. My friend James, introduced us on the phone a couple weeks ago. She's a good friend of his wife and just went through a divorce last year, and she hasn't dated since.

I'm 34 and Kylie's in her mid-twenties. I have never seen her in person, but the pictures she's shared with me over the internet and cell phone have fired my imagination. Kylie tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Kylie has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine. I just know her sweet treasure will be wet and juicy and ready for me. She tells me that her long blonde hair is a veil that hangs over her bountiful breasts.

I call Kylie to tell her that I'm close by. She tells me she is home and awaits me. She is dressed in a short white summer dress and flip flops. Her giggle is happy and filled with anticipation. Her slight southern accent only makes her more desirable. She had planned a dinner party to get things started and she still seems willing. I say that I'm dressed in a little red dress and bringing a surprise along with me but will have to show it to her later. Kylie's tells me how excited she is to see me when I tell her that I'm turning onto her street. I park the car in front of her building. I head up the front stairs to her house and knock on the door. What seems to be an eternity for me, she finally answers. We say hello to each other with huge smiles as we see that the attraction is there. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is her body, and I cannot wait for us to be together. Kylie tell me she is ready to feel my body; ready to take all the loving I can dish out.

I drop my bag by the door as she escorts me in and offers a cup of coffee or tea. I politely refuse but ask for some water because the warm Chicago day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself. Now I am a little worried; a little performance anxiety perhaps.

Over our water, I break open the wine I brought. We make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences, with both men and women. I am the more quiet one but I do feel comfortable telling her about some of mine. It seems neither one of us has been that experimental in our lives and this meeting may just be kizmet.

As we empty and refill our glasses, we are liking one other even more.

Realizing the encounter is now imminent, we put our empty glasses down next to the empty bottle. After a minute I am on my back on the sofa so she can more fully adore me. My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle into it.

The wine has taken its toll with us. We're giggly, tipsy and feeling pretty sexy. Slowly we both get upright and on the count of three pull our dress tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect sized nipples ready to be licked and sucked, which, of course, we oblige. Mine are smaller but still quite firm and shapely and her mouth is welcomed with soft moans and groans.

Now it's time for the dresses to come off and release their hidden secrets. As they are pulled off, I notice she is clean shaven down there. I have a little hair, but I'm clean shaven around my pussy lips. I cannot take in everything that I want to see. I am on sensory overload. Her slit is shaved smooth. I can just see the pink of her inner lips peeking out. Her breasts are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes.

Kylie breaks the spell and the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. She teases me to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. Her tongue travels well between my pussy and butthole. She gently probes them as they get wetter and wetter with each pass of her tongue.

Now it's my turn as I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she sucks on my nipples and works her way down to my pussy again. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy, thrusting them in and out until I cum again and again. I have to close my thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices. She bends over to give me a deep kiss and I taste myself on her lips and get even more excited once again. I hug and caress her. Her skin is softer than I imagined. Her vanilla-scented perfume mingles with the raw musky scent of her sexed-up body chemistry. Bending my head down, I kiss her again pressing a little harder, parting her lips and thrusting my tongue past her teeth. Kylie kisses me back with even more energy and passion than before.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy...

My free hand begins to caress Kylie's breasts. Gently I twist and pull her nipples and she moans with pleasure. Once again, I pulled her to me. Our bare bodies pressed together for the first time. Our tongues dueled. I never wanted her lips to leave mine again. Laying back on the sofa, I pulled her on top of me. Her magnificent breasts were mashed against mine. My hands reached around and cupped her firm, round ass. My legs were spread and she started to slowly grind her pussy against me. The space between my legs was slick and moist.

Our lips never parted. Her hands were on my face as she continued to kiss me. I whimpered in frustration as she rolled to the side. I tried to wrap my legs around her, but she was stronger than me. Kylie left a wet trail of kisses down my neck to my shoulder. Her hands roamed my body, working their way lower. From my arms to my breasts; from my breasts to my belly. I was laying flat on my back. A gasp escaped my lips as she cupped my mound. She established an easy rhythm that varied just enough to keep me off balance, but she never let up. My hands reached for her head. I wanted to kiss her so badly. Still she continued to rub my pussy. I grabbed a handful of her hair and pulled her to me. I was nearing a crescendo. Her hand was moving faster. I began to hyperventilate. My hips moved in time with her fingers. I arched my back and thrashed around on her bed.

She had built me up and I was so close! The tingling started in my toes. I had orgasms with guys before. I even had some pretty good, scream-and-wake-the-neighbours orgasms. None of them compared to this one. But we were not done. After a short break and a renewed glass of wine, I grab my bag and unzip it. I pull out a bright pink vibe. It is not quite as big as a cock but she smiles with approval. We discuss the virtues of a vibe over a cock laughing at the expense of men's penises and the "my cock rules" attitude most of them have.

With no hesitation at all, Kylie slips the vibe into her already moist mouth and moans with pleasure. I hold it in front of her as she is on her knees taking it in as far as she can, looking up at me with big doe eyes. She reaches back and fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again. I want her to touch herself so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. Kylie is again fully aroused and excited.

Kylie's body trembles when I pull on her nipples. I take the vibe and move around to her front and insert it gently into her juicy pussy. Kylie's passion is contagious. I'm now slipping the toy in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. Six hours have now passed and together, naked, arm in arm, we head to her bedroom for a well-deserved nap.

We discuss the virtues of a vibe over a cock laughing at the expense of men's penises and the "my cock rules" attitude most of them have.

HONEY
MY PUSSY IS THE BEES KNEES

Honey likes to serve it up piping hot. And Nick loves the way she does it. He'll shove his 8+ inch cock into her wet, waiting pussy when she begs him to. Much like a vampire on a daily quest for blood, Honey looks for cock to suck dry. If you're the lucky victim of her hungry mouth then prepare yourself for her sexfeast. Fortunately, Nick has enough cum to keep Honey happy – for today.

TODAY I ACT LIKE A WOMAN

The other day, I got quite a surprise. I caught my man looking at a girlie magazine in the bathroom. I was quite surprised, but not upset. If it makes him happy – and horny – then that's fine by me. I took it as a lesson learned. I think I'll show him I can do better than the girls on those pages! Just watch me!
